OBJECTIVE

Motivated and detail-oriented junior Laravel developer with hands-on experience building web applications such as a Learning Management System (LMS). Passionate about backend development and eager to contribute to a collaborative development team while continuously improving full-stack development skills.

EDUCATION

Bachelor of Science in Computer Science and Information Technology, Tribhuvan University	2022 A. D
High School, Aroma College	2015 – 2017A.D
School, Siddhartha English Secondary School	2015 A. D

Skills

- **Backend:** PHP, Laravel, REST API Development, Eloquent ORM, MVC Architecture
- **Database:** MySQL
- **Frontend:** HTML5, CSS3, JavaScript, Tailwind CSS
- **Tools:** Git, GitHub, Composer, VS Code
- **Concepts:** Authentication & Authorization, Middleware, CRUD Operations, Form Validation, Database Design, Role-Based Access Control

PROJECTS

Skill Track LMS (Learning Management System)

Technologies: Laravel, PHP, MySQL, Tailwind CSS

- Developed a role-based Learning Management System using Laravel.
 - Implemented authentication and authorization for Admin and Student roles.
 - Built course and lesson management features.
 - Implemented CRUD operations with server-side validation.
 - Designed responsive user interfaces using Tailwind CSS.
 - Developed RESTful APIs for application data.
 - Designed and managed relational databases using MySQL.
-

Internship & Training

Intern – Medissa

- Assisted in development tasks and learned real world project workflow.
- Gained practical experience in Mediisha (a hospital management system)

Trainee Laravel Developer

Azure Dev pvt. ltd. | [November,2025] – Present

- Receiving hands-on training in PHP and Laravel web development.
- Developing and maintaining web application features using the Laravel framework.
- Working with MVC architecture, Eloquent ORM, and MySQL databases.
- Implementing CRUD operations, form validation, and authentication systems.
- Collaborating with team members and participating in code reviews.
- Using Git and GitHub for version control.
- Gaining practical experience in building responsive web applications using HTML, CSS, JavaScript, and Tailwind CSS.

Languages

- Nepali (Fluent)
- English (Good)
- Hindi (Good)

EXTRA-CURRICULAR ACTIVITIES

- Mentor high school students in programming fundamentals and Laravel development.
- Assist university juniors with academic and software development projects.
